www.napcon2023.com

Dear Colleagues,

Welcome to the Basic Pulmonary Function Test Workshop in NAPCON 2023! PFT is an important tool in the diagnosis of airway diseases, and we are glad to present the most valuable information about PFT in the workshop. It is a unique opportunity to practitioners, researchers and post graduate students to grow their knowledge and interact with esteemed faculty along with an interactive case-based discussions and demonstrations. On behalf of organizing committee, we heartfully thank the faculty of our workshop who is taking their time and interest in teaching and making this workshop possible. Together, lets discuss, teach, learn, interact, and grow our skills for a better and quality patient care.

Regards,

Dr. Vijayendra Raju

Consultant Interventional Pulmonologist
Prathima Hospitals, Kukatpally
