ABOUT THE WORKSHOP

Congratulations. You have chosen Respiratory therapy to build a career. This workshop is designed by experts to take care of your needs. As a Respiratory therapist, you will be playing an important role in the care of sick people inside and outside the hospital.

There are nearly 3000 respiratory therapists in India. The role and responsibilities are changing constantly. This workshop will teach you the basics of RT and all the important procedures/therapies performed in the Intensive care unit. After the workshop, you can go back with new knowledge and confidence as a competent Respiratory Therapist (RT). Looking forward to welcome you on Sunday, 3rd December 2023 at NIMS, Hyderabad.

We are excited to invite you to an immersive learning experience designed for Respiratory therapists at all stages of their careers. Join us for a dynamic workshop featuring Hands on sessions, expert led discussions and the latest advancements in respiratory care. In the ever evolving landscape of healthcare, your role as a Respiratory therapist is becoming increasingly vital. This workshop serves as a platform for you to refine your skills, exchange ideas with your fellow professionals, and stay abreast of the latest advancements in respiratory care. Embrace this opportunity to network, ask questions and absorb as much knowledge as you can. Knowledge and expertise are the stepping stones towards becoming a more proficient and compassionate respiratory therapist. This workshop promises to be an enriching experience to provide you with knowledge that propels you towards a fulfilling and impactful career.

WHY TO ATTEND? WHAT YOU CAN LEARN

This workshop provides a platform for you to learn about cutting edge technologies and exchange insights with peers passionate about Respiratory care. Whether you are a seasoned professional or just starting your journey, this workshop is tailored to meet the needs of Respiratory therapists at all levels.

We look forward to welcoming you to an inspiring and educational gathering that promises to elevate your skills and passion for Respiratory therapy.

We sincerely hope to see you at the Respiratory Therapy Workshop.
